Class/Group/Level: Room 4, Year 5/6		NZC Link: Te Aho Arataki Marau — AO 2.4, AO 2.3 · Grammar Level 1–2: Tense mixing
Date: Week 7 — Tuesday		AOs: AO 2.4 – Tense & time AO 2.3 – Extended communication
Duration: 40 mins		Topic: Ngā wā — Mixing past and present tense fluently
Achievement objectives:		Resources:
- Students can understand and use familiar expressions in te reo Māori. - Students can interact in simple ways in supported situations.		Tense marker reference card. Time word flash cards.
Key competencies: Thinking; Using language, symbols and texts		
Learning intentions: WALT Switch fluently between I (past), Kei te (present), and Ka (future) using time words as signals. Success Criteria: - Can correctly use I, Kei te, and Ka as tense markers. - Can use time words as tense signals at the start of a sentence. - Can write a multi-tense account of at least four sentences.		Learning Experiences: I Do – Show a short account moving between past, present, and future tenses. Establish time word = tense signal: Inanahi → I, Ināianei → Kei te, pēpē → Ka. Introduce ngenge (tired) and hari (happy/joyful). We Do – Teacher provides a sequence of events across two time periods; students build each sentence with the correct tense marker. Practice without time words (tense markers do the work alone). You Do – Write two past-tense sentences (inanahi). Write two present-tense sentences (ināianei). Combine into a four-sentence account with time words. Bonus: six-sentence account (past → present → future).
Assessment:		Assessment of Teaching:
